Dear Mr. Shanks:

RE: Resource Recovery Certification RR - 268
Classification - U

This letter is to inform you that the department has completed the review of your certified resource recovery facility application form. After a review of your application form and the supporting documents, the department is pleased to inform you that McDonnell Douglas Corporation as referenced above has been certified for resource recovery contingent upon the following conditions:

1. The operator shall comply with 10 CSR 25-9.010 and all plans and processes described in the certified resource recovery application.
2. The operator shall recover solvents as listed in the application and in the amounts specified.

If you have any questions regarding compliance with your certification, please contact Ms. Jan Skouby at 314-751-3176.

Sincerely,

DIVISION OF ENVIRONMENTAL QUALITY
